

ayicina[®] Hair Tonics: Herbal Hair growth Treatment

Hair loss is a natural daily occurrence in both women and men. Everyone is in the process of growing and losing hair (from 50 to 150 hairs per day). But hair loss is a common problem these days. High stress, poor diet in a lifetime, using long term antibiotic and genetic and hormonal disorders can damage our hairs seriously.

ayicina[®] Hair Tonics is a pure herbal hair loss treatment contains natural ingredients that can increase healthy hair growth.

Natural active substances of Chamomile extract are absorbed from scalp pores by massaging. It can treat damaged and inflamed hair follicles and stimulate hair re-growth.

Experiences showed that regular massage of scalp (15 to 20 minutes per day) with Chamomile followed by Rosemary extracts during at least 4 months significantly will help to treat your hair loss.

Notes:

- Don't wash your hair till 30 minutes after using.
- Avoid hair dryer immediately after using hair tonics.
